# Derbyshire Disability Sports Directory

2009 - 2010

# Welcome

Welcome to the Derbyshire Disability Sports directory.

This directory aims to provide you with information on disability sports clubs operating in your local area across Derbyshire and Derby City.

All the club information featured in this directory can also be found under the Disability Sport pages on the Derbyshire Sport website:

[www.derbyshiresport.co.uk/disability\\_sport](http://www.derbyshiresport.co.uk/disability_sport)

## How to use the directory

This directory includes disability sports clubs, mainstream clubs open to people of all abilities and mainstream clubs that run disability sessions.

The clubs have been grouped alphabetically by sports. Each entry provides details of contacts, venue and the clubs details.

A key is provided to identify the key features of each club - see page 6.

This directory also highlights the clubs which have achieved ClubMark status. ClubMark Accredited Clubs aim to:

- Ensure the well-being of young people whilst in the care of adults, other than their legal parent(s)/carer(s).
- Enthuse young people to enjoy sport and active recreation to build a healthy and active lifestyle.
- Enable young people to use their leisure time creatively.
- Allow young people to optimise their talents and personal ability.
- Identify and support the development of the most talented young people.

Clubs achieving Clubmark have demonstrated they are a club open to all, have suitably qualified and CRB checked coaches and are following good practice guidelines as set out by their sport's NGB. For more information on Clubmark visit: [www.clubmark.org.uk](http://www.clubmark.org.uk)

Every effort has been made to ensure that the information in this directory is correct. We cannot accept responsibility for any inaccuracy that may occur. We hope you find this directory of use and welcome your comments. If you know of an organisation or service that has not been included which you feel would be of benefit to the wider audience please contact:

## Inclusive fitness Initiative

The Inclusive Fitness Initiative (IFI) is a Sport England Lottery Funded project that began in 2001. It aims to support fitness facilities to become inclusive; catering for the needs of disabled and non-disabled people alike.

Users of an inclusive fitness facility should expect to find:

- Accessible buildings and inclusive business practices
- Inclusive fitness equipment that can meet the needs of both disabled and non-disabled people
- Staff who have the necessary knowledge and skills to offer a safe, effective and value for money workout for disabled people
- Organisations that change the way in which they promote themselves to become more attractive to all sectors of the community.
